"Spatially Enabled Nation with Par Excellence Land Governance"

NLCS/DSM(C)/B7/2024-2025 / 004567

15/10/2024

**Notification**

In line with Section 218(h) and 218(e) of the Land Rules and Regulations of Kingdom of Bhutan, 2007, National Land Commission shall facilitate the registration and certification of cadastral surveyors. This is to notify all eligible candidates that the cadastral licensing exam will be held from the 4<sup>th</sup> of November 2024, till the 7<sup>th</sup> of November 2024.

As per the cadastral licensing guidelines, all cadastral surveyors shall be required to register with the Cadastral Surveyor's Licensing Board of Bhutan and obtain a license of competency to practice cadastral surveying in the country. The license shall set a threshold for entry to ensure that licensed cadastral surveyors are adequately competent- qualified, knowledgeable, skilled and experienced to perform cadastral surveying works. However, in accordance with the recent audit and licensing records, out of 69 personnels carrying out cadastral surveying, 48 of them are not registered cadastral surveyors. Therefore, it has become imperative that eligible candidates should be provided with an opportunity to get licensed to uphold the highest standard when it comes to competency in cadastral surveying.

Please find attached the schedule and venue for the cadastral licensing exam. This is also to inform all the eligible to kindly make yourself available as per schedule of the cadastral licensing exam. More information and any change in the schedule shall be provided in the following days.

Samten Dhendup
