Notification

In line with Section 218 (h) and 217 (e) of the Land Rules and Regulations of Kingdom of Bhutan, 2007, National Land Commission shall facilitate the registration and certification of cadastral surveyors. This is to notify all eligible candidates that cadastral licensing exam will be held from the 9th of February, till the 12th of February 20256

As per the cadastral licensing guidelines, all cadastral surveyors shall be required to register with the Cadastral Surveyor's Licensing Board of Bhutan and obtain a license of competency to practice cadastral surveying in the country. The license shall set a threshold for entry to ensure that licensed cadastral surveyors are adequately competent, qualified, knowledgeable, skilled and experienced to perform cadastral surveying works. Therefore, it has become imperative that the eligible candidates should be provided with an opportunity to get licensed to uphold the highest standards when it comes to competency in cadastral surveying.

Please find attached the schedule and venue for the cadastral licensing exam. This is also to inform all the eligible candidates to kindly make yourself available as per the schedule of the cadastral licensing exam. Any change in information shall be provided in the following days.
